

A black, rectangular electronic device, possibly a sensor or actuator, with a white label. The device has a small circular feature on its left side. The label contains the word "evigia" in a stylized font with a red diagonal line through it, and the text "EV3-AT" below it.

evigia

EV3-AT

The image shows a black, rectangular electronic component, possibly a sensor or actuator, with a white label. The label features the brand name 'evigia' in a stylized font, with a red diagonal line crossing through it. Below the brand name, the model number 'EV3-DRT' is printed. The component has a slightly raised, trapezoidal top surface and a flat base with mounting holes. The background is white.
